Our school strategies are showing substantial progress toward our targets

After reviewing our *Great Results Guarantee* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Continue to collect and analyses internal and external student achievement data to inform teaching and learning practices and identify areas for intervention and extension through the use of short term data cycles and team meetings – Sharratt and Fullan (Faces on the Data). Specifically through:
Parameter 5. Early and Ongoing intervention
Parameter 6. Case Management Approach
- Embed the explicit teaching of decoding and comprehension strategies.
