#### Principal's foreword

#### Introduction

Kalamia State School provides quality education for children from the Preparatory Year to Year 7, in a multi-age setting. Our school community is dedicated towards achieving excellent results for our students and school. Our school motto, "Small schools achieve great things" is indicative of the philosophy of our strong school community.

This report provides a snapshot of the school performance and unique characteristics for the 2014 school year. From the 2014 Annual Implementation Plan a large percentage of key directions were achieved. This report will be made available to our parents and school community through a delivered photocopy with our fortnightly newsletter and on the school website.

#### **Future outlook**

Our key priorities for 2015:

- Improve Reading, Writing and Numeracy outcomes
- Implement the Australian Curriculum
- Build the capability of leaders and teachers
- Improve attendance rates
- Embed School Strategic Documents

## Great Results Guarantee:

 Our school received \$5000 Great Results Guarantee funding. This money was used to support improving student outcomes in literacy.

- Active sport representation including school, cluster and district based

#### Extra curricula activities

Leadership Program

## How Information and Communication Technologies are used to assist learning

Our classroom contains a bank of networked computers for everyday use by the students. Each unit of work contains ICT skills. There is an interactive whiteboard, which is regularly used by students and teachers alike. Our student computer ratio is 1:1. Staff and students have ready access to a wide range of ICT hardware and software including:

- Email and internet access
- Digital imaging using still and video cameras
- iPad
- Direct curriculum integration of a range of generic software applications scaffolded and sequenced across the school e.g. Reading Eggs, Mathletics, Study Ladder.

<sup>\*</sup> Caution should be used when comparing 2014 data with previous years SDA data as amendments to the disciplinary provisions in the Education (General Provisions) Act 2006, passed in late 2013, created a time series break.

#### **Social Climate**

Like many small schools, Kalamia State School is family-oriented. The school community recognises the importance of a team effort. The school's culture is one where members work co-operatively as partners in the learning process. The students of Kalamia State School are well supported by a dedicated and enthusiastic staff and a caring and committed parent community.

The results of the annual School Opinion Survey show that 100 percent of students are happy to come to this school with the school mean being equal to or above that of the State and Like Schools. The School Opinion Survey results also show a 100 percent parent satisfaction rate that their children are safe at this school. This school mean is also consistently equal to or higher than that of the State.

Student, staff and parent successes are celebrated through our fortnightly newsletter, website and Facebook page. Good news stories are placed in local newspapers.

Social gatherings of school community e.g. Fancy Dress Ball.

Staff access to Employee Advisor.

A Responsible Behaviour Plan for Students and a Bullying Prevention Strategy are utilised in our school community to promote positive behaviours.

<sup>\*</sup> Nationally agreed student and parent/caregiver items were incorporated in the School Opinion Survey in 2012.

DW = Data withheld to ensure confidentiality.

<sup># &#</sup>x27;Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement. Due to a major redevelopment of the surveys (parent/caregiver and student in 2012; staff in 2013), comparisons with results from previous years are not recommended.

#### Involving parents in their child's education

The parents of Kalamia State School show genuine interest in and concern for their children's education by supporting the school's many activities. Many parents provide assistance with school programs and initiatives. Our parents always support class activities, excursions, camps, tuckshop, providing transport to and from sport and cultural activities, and assisting with swimming classes.

The Parents and Citizens Association is active in providing a great deal of support to the school through grounds maintenance, fundraising and involvement in school activities. The members of the Association are involved in the decision-making processes of the school. Monthly P&C meetings are scheduled on a flexible basis.

Parents are kept up to date with school matters through fortnightly newsletters, email and through personal communications.

Parents are always welcomed into the school and encouraged to participate in school programs as much as possible.

#### Reducing the school's environmental footprint

Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns.

Sustainability education has been a big part of the curriculum, with students developing ways of reducing our use of energy and water.

In 2014 solar panels were continued to be used to reduce our environmental footprint.

	Environmental fo indicators	Environmental footprint indicators		
Years	Electricity kWh	Water kL		
2011-2012	18,391	405		
2012-2013	13,039	266		
2013-2014	-1,155	44		

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

## Student attendance distribution

The proportions of students by attendance range.

<sup>\*</sup>The method for calculating attendance changed in 2013 – care should be taken when comparing data after 2012 to that of previous years.

#### Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DETE policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

Student attendance at Kalamia State School is monitored daily via the marking of class rolls in the morning and afternoon. The school has a low incidence rate of unexplained absences as parents are expected to report their child's absence via a phone call, note, email or personal communication with members of staff. Unexplained absences are followed up with notes or phone calls from school administration staff to ascertain the necessity of the absence. Reminders about parent obligations to ensure students attend school regularly, and the need to inform the school of student absence, are also relayed through the school newsletter and Handbook for Parents.

Many proactive strategies for encouraging high attendance rates were used during 2013 including:

- the introduction of an award recognising the student with the highest attendance rate for the year
- regular information communicated to parents about the importance of regular attendance and the connection to high academic achievement
- current school attendance rates publicised in the school newsletter

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7, and 9.

# Achievement - Closing the Gap

In 2013 we met all systemic targets in Closing the Gap between Indigenous and Non-Indigenous students, in the areas of Attendance, Attainment and Retention.
